Report on Scientific Paper Presentations

MEGHNA INSTITUTE OF DENTAL SCIENCES conducted 1st NATIONAL DENTAL CONVENTION on the dates of 21st and 22nd of March, 2024. All the scientific events were conducted on the first day i.e., 21st March. Students of various dental colleges from Telangana, Maharashtra, Tamil Nadu, Karnataka and Andhra Pradesh had participated in Scientific Paper Presentations which were held as a part of NATIONAL DENTAL CONVENTION on 21st of March, 2024.

Abstracts from more than 10 colleges were received and numbered. Approximately 65 students belonging to Under-Graduates and Post-Graduates from various colleges participated in paper presentations. All the 65 paper presentations were divided into 2 sessions, Morning session that started from 9:00 to 10:30 am, and Afternoon Session conducted from 3:30 to 5:00 pm. Paper presentations were held in the Seminar halls (Inquisita Halls) of Department of Oral Medicine and Radiology, Department of Conservative Dentistry and Endodontics, Department of Pedodontics, Department of Prosthodontics and Lecture Hall 1.

The event was meticulously planned and executed professionally with a diverse range of research topics and facilitating meaningful discussions among participants, the presentations were of high quality, reflecting the dedication and hard work put in by both the presenters and their mentors from various colleges

Following is the list of students who participated in Scientific Paper Presentations:

Report on Scientific Poster Presentation

MEGHNA INSTITUTE OF DENTAL SCIENCES conducted 1st NATIONAL DENTAL CONVENTION on the dates of 21st and 22nd of March, 2024. All the scientific events were conducted on the first day i.e., 21st March. Students of various dental colleges from Telangana, Maharashtra, Tamil Nadu, Karnataka and Andhra Pradesh had participated in Scientific Poster Presentations which were held as a part of NATIONAL DENTAL CONVENTION on 21st of March, 2024.

Abstracts from more than 10 colleges were received and numbered. Approximately 84 students belonging to Under-Graduates and Post-Graduates from various colleges participated in poster presentations. All the 84 poster presentations were divided into 2 sessions, Morning session that started from 9:00 to 10:30 am, and Afternoon Session conducted from 3:30 to 5:00 pm. Poster presentations were held morning in lecture hall 2,3,4 and afternoon in lecture hall 1,2,3 and 4

The event was meticulously planned and executed professionally with a diverse range of research topics and facilitating meaningful discussions among participants, the presentations were of high quality, reflecting the dedication and hard work put in by both the presenters and their mentors from various colleges

Following is the list of students who participated according to the session and Hall.

REPORT ON MEDMOJI

ORGANIZING TEAM: DEPARTMENT OF PHARMACOLOGY

DATE: 21/03/2024

TIME: 1:30 pm- 3:00 pm

As a part of National Dental Convention 2024 conducted by Meghna Institute of Dental Sciences, Nizamabad, Department of Pharmacology organized medmoji competition as part of scientific event on 21st march 2024 between 1:30 pm to 3:00 pm.

A total of 33 students were participated in Medmoji competition. Medmoji introduced a unique feature where drug names were represented by corresponding emojis, making medication discussions more accessible and engaging for patients. Instead of traditional text-based names, medications were now identified by visually intuitive emojis, simplifying communication and enhancing comprehension. This innovative approach not only facilitates clearer understanding of prescribed drugs but also promotes medication adherence and patient involvement in their treatment journey. With Medmoji's inventive integration of emojis into drug names, healthcare communication becomes more inclusive and effective, ultimately leading to better patient outcomes. The judge for the programme was Mrs. Kalyani. The first prize was given to Geetanjali, MNR dental college, Sangareddy and the second prize was given to Tiksha Rohila, Army dental college. The Program was Successful with Active Participation of Students.
