Institutional efforts in providing an inclusive environment - tolerance and harmony towards cultural, regional, linguistic, communal, socio economic and other diversities

The institution goes with its vision and mission where in all stake holders are provided with equity irrespective of gender class, religious association and ethnic background. The students from various strata of society are enrolled in the institution through a university seat matrix.

The college adopts a uniform dress code for the students in our institution which serves to instill a sense of equity among all the students.

The students are permitted to celebrate national festivals such as Christmas, Bathukamma, Holi, Krishnashtami, Vinayaka Chavithi, etc which provides them a platform to mingle freely forgetting their caste and creed.

Life in the hostels makes the students come closure because of academics, sports and cultural activities.

Celebrations such as Teacher's Day, International Women's Day, Fresher's Day, Independence Day and Republic Day give the students to work as a team forgetting their differences.

Language and soft skill development programmes are organized to cater the students from diverse verbal backgrounds to enhance their employability. Peer teaching practices enable them to overcome the language impediment that they may encounter and learning outcomes are stepped up.

ICT enabled tools are provided and the art of using the tools is demonstrated to all students. Personality development and gender sensitization programmes along with women empowerment programmes are organized regularly. These steps strengthen the students to provide improved health services with a professional touch.

The Institution also organizes camps that cater to different strata of society. These enable our students to learn and understand the mind set of people from different backgrounds.
