## WHITE COAT CEREMONY 2017-18

White coat ceremony is oath taking ceremony. The program was offered to newly enrolled BDS third-year students. On October 17, 2017, a white coat ceremony was held in the college auditorium. Dr. Kalyan Chakravarthy delivered the program's opening remarks, which were followed by a prayer song performed by BDS student Sai Priya. Dr. Shobha rani spoke about the role of the holders of the white coats after the principal welcomed and addressed the group. The speaker discussed the significance of the white coat and the responsibilities that come with wearing one to the aspiring dentists. Following the oath taking led by Dr. M Pratap Kumar, dignitaries and faculty handed out white coats to the students. After receiving their white coat, the student introduced themselves and convinced the faculty that the three years of teaching and learning dentistry would be Enlightening and Enjoyable. Dr. Shakuntala's vote of thanks and the national anthem marked the program's conclusion.

## SOFT SKILL DEVELOPMENT PROGRAM

### MOTIVATED LEARNING PROGRAM

#### REPORT 2017-2018

**Summary:**

Learning is a lifelong endeavor, and in order to instill and sustain lifelong love of learning, motivation is must. For students, a lack of motivation has long been one of the most frustrating obstacles to learning which draws them behind in achieving their academic exercises .keeping this in mind the students are constantly nourished through “MLP”

MLP has come in to force since 2013 which focuses on slow learners by allotting extra hours and deals with one to one basis. The HOD s of respective departments are the chair person and the rest if the faculty act as members .MLP not only developed student’s ability in understanding the subjects but also evoked their analytical thinking for a better professional tomorrow.

### CODE OF ETHICS- PROFESSION

**Date:** 04/09/2017

**Time:** 9.00-10.00 AM

**Venue:** Lecture hall 4

**Faculty name:** Dr. Pratap Kumar

#### **Summary:**

Ethics forms an important part of profession. The code of ethics prescribed by the regulatory bodies as well as professional associations act as a guiding light in distinguishing between right and wrong, observing ones duties and maintaining good interpersonal relationships. Dental ethics would mean moral duties and obligations of the dentist towards his patients, professional colleagues and to the society. It is intended to heighten ethical responsibility, promote ethical conduct in dentistry, advance dialogue on ethical issues and stimulate further reflection on common ethical problems in dental practice. So to incorporate the same in the students the above program is organized.
