The core values of CDCRI centre on a commitment to excellence. Our mission and vision statements express our policy of providing high-quality healthcare and education. In a dynamic environment, the college has become a dependable nurturing ground for an individual's holistic development, thus providing an effective contribution to the healthcare domain in Indian society. The University Grants Commission recognised the college's high academic standards in curriculum, instructional methods, evaluation systems, and research and development. The Internal Quality Assurance Cell was established in accordance with NAAC guidelines as a post-accreditation quality maintenance measure to improve the quality of teaching, learning, evaluation, and research initiatives. Our principal served as Chairperson of the team, which included members from academic institutions.

The institution's IQAC has developed six priorities for action-based futuristic development of the institution under the guidance of our Principal Dr. M.Prathap Kumar.

The six priorities are as follows:

1. Educational Leadership
2. Faculty Development
3. Development and Research
4. Improving Employability
5. Responsibility To society and Moral Codes
6. Institutional Development and Growth

Mallaram Vill., Varni Road, Nizamabad-503 003. (T.S) Ph : 9505445456

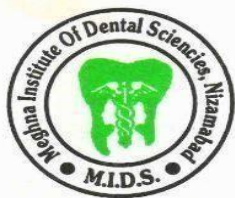

E-mail : [info@meghnadentalcollege.ac.in](mailto:info@meghnadentalcollege.ac.in) Website : [www.meghnadentalcollege.ac.in](http://www.meghnadentalcollege.ac.in)

After fine-tuning the mission document, a five-year vision document for all six parameters was developed and implemented. The management holds frequent core committee meetings with members of the managing committee and the principal to address campus development needs in accordance with the college's vision and mission. Several quality improvement measures and infrastructure upgrade programmes have been initiated on a campus-wide development programme based on NAAC accreditation reports.

The following is a summary of the various quality assurance programmes carried out for faculty and students' quality improvement by our institution's IQAC over the last five years.

## OROFACIAL PAIN

On March 30&31, 2021, the Department of Oral Medicine and Radiology held a CDE program. It was about "OROFACIAL PAIN." Information about the scientific meeting: With 96 participants, including final-year students, interns, and college staff, the program was a big success. In the auditorium, the program took place. The program began with the lighting of the lamp by Dr. M. Pratap Kumar, Principal of MIDS in Nizamabad, Dr. Kalyan Chakravarthy, Vice Principal of MIDS in Nizamabad, and Dr. Praveen Kumar (HOD, Department Of oral medicine and Radiology). Our principal then gave a welcome speech after that. The lecture and case presentation on orofacial pain concepts came after the inauguration. The CDE program was largely praised by everyone.

## NITROUS OXIDE INHALATION SEDATION IN DENTISTRY- AN ESSENTIAL TOOL

On the 11<sup>th</sup> and 12<sup>th</sup> of November 2022, the Department of pedodontics and preventive dentistry conducted a program on the topic "NITROUS OXIDE INHALATION SEDATION IN DENTISTRY- AN ESSENTIAL TOOL". Guest speaker for the program was Dr. Srinivas Namineni, MDS. The program was conducted in lecture hall 1 (Meghna institute of dental sciences, Nizamabad). The program was inaugurated with the lightening of a lamp by Dr. M Pratap Kumar (Principal, MIDS, Nizamabad), Dr. Kalyan Chakravarthy (Vice principal, MIDS), Dr. Srinivas Namineni. The Inauguration was followed by a Lecture by Dr. Srinivas Namineni about Nitrous Oxide Oxygen Inhalation Sedation abbreviated as NOOIS is an inhalation route of Conscious sedation utilized in our day-to-day modern clinical practice. It is an effective adjunct for the efficient management of dental fear, anxiety, and mild analgesia. This workshop explained the whole process of how this sedation dentistry works and how to successfully adapt this wonderful laughing gas science to work in a comfortable way for the patient as well as the clinician.

### First year BDS Orientation report 2017-2018

Conducted by: Dr. M. Pratap Kumar

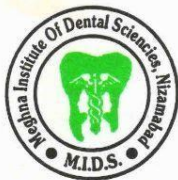

As the admission process is completed, the orientation committee of Meghna institute of dental sciences has sent a letter to the students to join in the course as per schedule. The main goal of the orientation team is to introduce the student to college life by acclimatizing them to new surroundings, while it's not only students but also their parents are also given orientation on the structure of college and university regulations. The orientation helps them to adapt new environment and guides them in goal building.

The following programs were conducted;

Date	Program
23/09/2017	Orientation of the course College visit Hostel visit
