VENUE: LECTURE HALL 1

TOPIC: AUTONOMY IN DENTISTRY

SPEAKER: Dr. Sushma Naag

AUTONOMY IN DENTISTRY

Autonomy is a principle that dictates health care professionals respect towards the patient's right to make decisions concerning the treatment plan. Dentist sometimes attempt to direct a patient towards a particular mode of treatment by stressing certain advantages and not mentioning the disadvantages. This is a breach of ethics as the patient is misinformed or mislead, thus not protecting his/ her integrity.
